

Simons Searchlight Registry Update **Distal 16p11.2 duplication**

Data in these four graphs are from the medical history phone interviews collected in Simons Searchlight from 20 participants with a Distal 16p11.2 duplication.

October 2023

Ages in Years

Developmental and Behavioral Conditions

Neurological Conditions

Gastrointestinal Conditions

NOTES: Graphs show counts of individuals in each category. Individual participants may appear in more than one category if they report multiple conditions.

How to participate?

The information in this report is made possible by the active participation of the DISTAL 16p11.2 duplication community! Progress for individuals in your community with DISTAL 16p11.2 duplication is shown below - log in to your simonssearchlight.org dashboard today to check for new surveys and tasks. Your data could hold the clues geneticists need to find answers.

STEP 1

Sign up online

27

STEP 2

Provide your genetic lab report

23

STEP 3

Share your important medical history

20

STEP 4

Fill out surveys

22

STEP 5

Provide a blood sample if you are interested
